Hotel room taxes are not always a bad thing 3

Markets

Helsinki 4

East Asia becomes an increasingly important source
Promoting Helsinki's winter attractions to reduce seasonality
Leisure gains on business travel

Glasgow 7

Five years of apparent stagnation, and even decline
Low-cost flights should boost short-haul demand
Focusing on the short-break leisure market and MICE business

Madrid 11

A lacklustre year
MICE business does better than average, especially incentive travel
Bedazzled by the dream of hosting the 2012 Olympic Games

Atlanta 14

Visitor numbers still below the city's 1997 tourism peak
A wide range of cultural attractions ...
... and an important sports destination

Sydney 17

Drop in airline capacity damages Sydney's tourism in 2002
A decline in occupancy and rates
Increased competition from other Australian cities

Comparative Trends

European hotels 18

Rise in eurozone ADR, despite tough trading conditions ...
... but London bucks the eurozone trend

World airports 20

Asia Pacific and Middle East return to growth
Beijing once again heads the growth ranking

City statistics 21

New benchmarking data planned for 2003
